

# ARVIND SURESH

Mumbai, Maharashtra - 400074 · +91 98694 48692  
[arvind0598@gmail.com](mailto:arvind0598@gmail.com) · [LinkedIn: arvind0598](#) · <https://arvindsuresh.in>

A full stack engineer with the ability to write well designed and tested code in various frameworks and languages. Looking for opportunities to gain experience and contribute in an automation space and diversify knowledge further.

## EXPERIENCE

JANUARY 2020 – PRESENT

**ANALYST – APPLICATION ENGINEERING, BLACROCK, MUMBAI**

- Part of the development function of an Operations team.
- Worked on applications written in AngularJS/Angular/Java/Spring.
- Led the development effort in the refactor and rewrite of our main ticketing tool, increasing coverage from 0 to 70% and cutting down on code smells by 90%.
- Introduced multiple features that combined to save over 1000 hours annually.

## EDUCATION

AUGUST 2016 – NOVEMBER 2020

**B. TECH – COMPUTERS AND COMMUNICATION, MIT MANIPAL**

- CGPA: 8.63 / 10 with a minor in Big Data
- General Secretary and Academic Head of Teach Code for Good, a non-profit initiative to teach coding to underprivileged children in nearby grade schools.
- Category Head for System Admin and Web Development in college fests.

## SKILLS

- Experienced in various front-end frameworks like Angular, AngularJS and React – along with Redux, NgRx and various preprocessors.
- Worked with Spring and Java. Have demonstrable experience with NodeJS and Express.
- Well versed with testing frameworks like jUnit, Mockito, Jest and Mocha.
- Worked with automation using Selenium in Python.
- Worked in an Agile environment and have good understanding of version-control systems.

## ACTIVITIES

Likes to play football and has been part of the football league in college. Into bingeing on the latest tech news and keeps updated with anything that is going on with any new releases of phones, laptops or even new frameworks.
